ATTN: Tom Munson and Wayne Hedberg

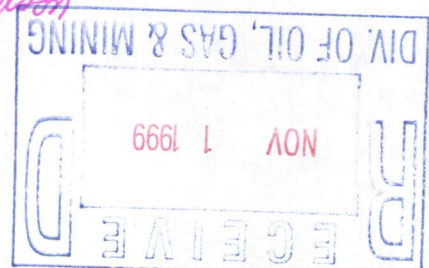

Dear Sirs:

After having a conversation with Tom I decided to write a letter detailing Dutson Supply Company's position on project ID S270047. Project name is Backside/Valley/Northside/Leas. Delta Supply Co. was the contractor that Robert Wilson hired to do the work at the Perlite claim. Dutson Supply at no time owned part of the claim or intended to do so. Robert Clark who filed the permit in Dutson Supply's name worked at the time for Robert Wilson. Robert Clark and Robert Wilson have never been employed by Dutson Supply as State Records will verify. Dutson Supply is in good standing with the State, BLM, Forest Service, etc. and intends to remain so as we do business with all of these agencies.

Dutson Supply would like very much to have this matter resolved. Robert Wilson as of 1993 still owes Dutson Supply \$1,200 with no interest added on. After my conversation with Tom, I understand Robert has filed Bankruptcy. I do not want to loose any more money on this project then I already have. Please correspond with me if there is any questions. I called the same day I received this delinquency notice, as I do not like to let things go. Thank you for your time.

Sincerely,

Larry J. Dutson
